## PRESIDENTS MESSAGE

Greetings all. I hope this finds you well. Where has the summer gone. In a few weeks our summer show will be upon us.

Preparations are being finalized and loose ends are being tied up for our summer show at the Mechanical History Roundtable in Rochester. I'm hoping there will be a good turn out for the show. It's a small show and they have asked for some assistance from us as far as helping out around the grounds. Cubs & Cub Cadets are the feature this year so if you have any of these lets show them off! But with that being said you can bring whatever you have. Banquet will be Saturday night at 5:30 PM out at the grounds at the pavilion on the north side of the museum. Cost of the meal will be \$15.00. We need a head count as soon as we can so the caterer can know how much food to prepare.

The Lee Sackett visit was a great success. We had a good turn out and people got to see a little of old IH history. The old dealership still looks pretty much the same as it did when they closed the doors. It was a nice trip down memory lane for me as this was our go to IH dealer. As I told everyone at the meeting where they were sitting was where our 1206 & 6 bottom #700 plow was being worked on. Thanks to Niemans for bringing their 240's and utility 350 for display. I brought my narrow tread F-30 down as well and Lee provided a few customer tractors to help fill things out. Other than the rain it was a good day. If you weren't there you missed a treat.

We have elections coming up in December. Myself, Carmen and Neal are up for re-election. We all 3 said we will run again but that doesn't mean you can't run. We need to start thinking about some new blood on the board. This will be my last time around and Carmen has said so as well. Dave Kanten has also said he would not run again next year when his term is up. He said he would stay on as Merchandise Chair but

eventually will like to pass that on as well. Its good to get other views and ideas on the board. Please start thinking about this as we will eventually need replacements. We had a couple more members pass away. LuAllen Kettner #638 & Jim Trebelhorn #554 & I don't remember if we mentioned Don Richardson #48. Let keep their families in our thoughts and prayers.

Well that all for now. See you in August at Rochester.

Stay Red

Bill R.

## MEMBERSHIP REPORT

The club has 316 members on July 25, 2022. However I will be dropping a number of members after this mail distribution if no check is received from them. (Members whose name label shows 03/22.)

If you know of someone who wants to join the Club, you can go to the Chapter 15 web site,

**[www.ihcc15.com](http://www.ihcc15.com)** and print out the membership application. Or contact me and I can send the perspective member an application. Then complete the application and send it to me with a \$30 check. New members now become members with a renewal date of 03/24. All new or renewals with a date of 03/24 or higher have annual membership dues of \$30.00. (\$20 to National and \$10 for Chapter 15).

There was three new members since the last report.

Charles Johnson..... Truman, MN

Frank Peterson ..... Hayfield, MN

Sandy Pearson..... Buffalo, MN

## **MERCHANDISE REPORT**

I have ordered the sweatshirts with the club logo on them. Hopefully they will arrive this week. I did order some extra of these so if you did not get one ordered you can pick one up at one of the meetings. I have also ordered some of the blue denim shirts with the IH logo on them also hopefully to be here this week. I was told by Pat Ryan that it sounds like Tri-Mountain clothing is closing. They have been one of the better suppliers for our clothing. I have gotten more bowls and the piggy banks etc. from my new supplier.

Dave Kanten, Merchandise Manager

## **WEBSITE**

I have been informed by our present website host that she is no longer going to do any website design or major updates but will continue to host it as is and I can continue to add the info as I have been doing. I have contacted a person here locally and will continue to check out other possibilities. Looking at her site it appears she has done some pretty large web designs.
